COFFEE LIQUEUR

BT

Natural liqueurs and infusions

Following the high quality of Bepi Tosolini distillates, **EXPRÈ** is a coffee liqueur completely natural, without artificial aromas, colourings and additives, to meet the most demanding cutting-edge palates. **EXPRÈ** coffee liqueur is obtained with the best Arabic quality coffee beans, for the real Italian “espresso” taste.

**VARIETAL:**  
100% arabic coffee beans

**ALCOHOLIC CONTENT:**  
28% vol.

**PRODUCTION PROCESS:**  
hand crafted alcoholic cold brew infusion, and small batch distillation

**COLOR:**  
dark brown

**TASTING NOTES:**  
a real aroma of “Espresso” coffee, pleasantly toasted and chocolatey. Delicate vanilla and caramel notes. Rounded and persistent aftertaste. Balanced sweetness.

**SERVING SUGGESTIONS:**  
neat or on the rocks, excellent both after lunch or dinner any time you desire the taste of real coffee. Perfect to twist the classic “Espresso Martini” cocktail (2 parts of I Legni Tosolini, 1 part of Exprè, 2 parts of sugar syrup, one Italian coffee, ice).
